

Arizona Voter ID Requirements for Native American Voters

A voter who identifies himself or herself as a member of a federally-recognized Native American tribe and presents one item of tribal identification (that does not meet the requirements of List 1) must be issued a provisional ballot (in lieu of a conditional provisional ballot) and does not need to return to confirm their identity. [A.R.S. § 16-579\(A\)\(1\)](#). A "tribe" includes a Native American nation, community, band, or tribal subdivision.

Acceptable forms of tribal identification include, but are not limited to, the following:

- A tribal identification card issued under the authority of the Bureau of Indian Affairs or a federally-recognized Native American tribe;
- A tribal enrollment card issued under the authority of the Bureau of Indian Affairs or a federally-recognized Native American tribe;
- A Certificate of Indian Blood issued under the authority of the Bureau of Indian Affairs or a federally-recognized Native American tribe;
- A voter identification card issued under the authority of a federally-recognized Native American tribe;
- A home site assignment lease, permit or allotment issued under the authority of the Bureau of Indian Affairs or a federally-recognized Native American tribe; or
- A grazing permit or allotment issued under the authority of the Bureau of Indian Affairs or a federally-recognized Native American tribe.

If the voter does not present an acceptable form of tribal identification and otherwise does not satisfy the identification requirements in [A.R.S. § 16-579\(A\)\(1\)](#) (see [Chapter 9, Section IV\(A\)](#) above), the voter must be issued a conditional provisional ballot. [A.R.S. § 16-579\(A\)\(2\)](#).
