

Georgia Voter ID Clinics and ID Assistance Organizer

OVERVIEW

VoteRiders is a nonpartisan 501(c)(3) nonprofit, focused on voter ID education and assistance. Our work raises awareness of voter ID laws and VoteRiders' services. Our programs identify, educate and help voters in need of voter ID assistance so they can vote with confidence, *knowing they cannot be turned away*.

Targeted voter ID education and assistance in Georgia has never been more crucial. Georgia's new voting law, passed in March 2021, creates new ID requirements for voting by mail, on top of the state's already-strict photo ID requirements for in-person voting. Because of this new law, as well as widespread confusion and intimidation surrounding voter ID issues, millions of Georgians may be unable to, or deterred from, casting a ballot.

VoteRiders is seeking a Georgia-based Organizer to support and scale our work in the state, with a particular focus on implementing and expanding our Voter ID Clinics program. Voter ID Clinics involve placing trained VoteRiders staff or volunteers on-site (or virtually) at partnering community organizations such as shelters, community centers, food banks, and more. Ideally held on a regular basis, VoteRiders' Voter ID Clinics offer one-on-one and fully-paid voter ID assistance to any voter who needs it -- including all transportation arrangements and costs and paying the fees for underlying documents.

This is a full-time position, available ASAP, funded through December 31, 2022, with possibility for extension. The VoteRiders Georgia Organizer will work in close coordination with our Georgia Voter ID Coalition Coordinator (based in Atlanta) and report to the National Voter ID Clinics Program Director.
